SKILLS

My passion for software development is reflected in the variety of technologies I have learned throughout my academic training:

- Database:

  SQL Server, MySQL, MongoDB

- Back-end

  ASP.NET (MVC , Web service , RESTful API), php, Python, Node js, Java

- Front-end

  HTML, CSS, JavaScript, React js

PROFESSIONAL PROFILE

My Lodgment Place

I collaborated with a team of five developers to create a project inspired by Airbnb. I demonstrated my teamwork skills and adapted easily to the technologies and work model used.
